1. Last Meetings Minutes agreed.

2. Sports- Doing Athletics for the summer at Wildern with Mike. The only session he can't do is **15th August** – so Mitchell happy to lead the session with possibly Matthew and Sam to help as extra and Mollie.

Discussed Sports Survey (thanks Mitchell) for choice of Sports for September: so, decided Football with Liam, Tag Rugby with Mike and then Dodge Ball with Liam in January.

3. Treasurers Report – see June Report

4. Dance Performance – we attended this on Saturday 29th June with Move Momentum at Winchester University. The members enjoyed it although it was a long day. They did their Keep on Moving and Pom Pom Routines with Lucy. We had good feedback about our dancers.

Leah's Wedding – the dance group are collecting for a present

5. Social media – We had over 4000 Tik Tok views on our Dance performance Videos. Will just keep posting videos of our sessions to keep us out there.

6. Website – No updates

7. Policies – these have now been reviewed and we are going to take the signatures of the ones that have them as not all of them do and we will add Approved by Committee 16/7/24 and we will all action this – **Action All**

8. Microsoft 365 – Sharepoint . Licence expires 20/3/32. Still looking at this so we can share documents . Maybe look at Google Doc? - **Action Mitchell and Matthew**

9. Sponsored Walk – Saturday 7th September, starting 2pm from the centre. It Will only be cancelled if weather is very windy due to danger of falling branches as the route is through woods. Rain will not stop it!

Dave is going to do a recce walk to mark the route - will be going down to the jetty and back around to the Barn. A shorter route and a longer route will be marked out.

We will have a leader and back stop for each of the 2 groups.

Back at the centre Jen will prepare the BBQ which will be in the courtyard at the centre. Burgers, sausages @ £3 - that is what they charged at the summer showcase. Drinks £1 can/bottle

Sandra pricing up the food and drink. Susan to provide a float

We will need people to register so we can make sure we don't lose anyone on the route and declare any health issues to cover insurance.

10.AGM – Saturday 20th July Zoom 17.30 – we are still going ahead with this although a very poor response. AGM and re-election of committee members. whilst its cooking. Suzy is going to stand down as Chairperson. We have had a very poor response from members so thinking new AGM will tag it onto a MSC session so at least we get other members attending other than the committee.

11. 20th Anniversary - probably keeping it low key as such a poor response for AGM.
